

IRRADIATION COMMENT FORM

attention FDA: keep irradiation labeling!

Re: Docket # 98N 1038,
"Irradiation in the
Production, Processing
and Handling of Foods"

Consumers -
have the right to know!!!
believe the FDA should keep its requirements to
prominently label irradiated packaged foods and
non-packaged foods by always displaying the radura
logo along with the words "treated with irradiation."
I feel alternative terms such as "cold pasteurization"
are misleading and should never be used.
